

Hebrew, Greek, or Latin?

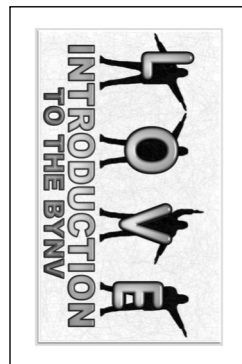

If the Natsarim did not write in their own language, but used a foreign language, why does Luke record that Yahusha spoke to Shaul in **Hebrew?** (see Acts 26:14). Acts 21:37 shows us how shocked the captain protecting Paul was when he heard him speaking **Greek**. He asked, "Do you speak Greek?" We've inherited lies from our teachers, and from the traditions handed down to us for generations. The dragon has had many centuries to alter teachings, invent sacraments, a **fake name**, set-up an evil teaching authority to change the day of rest to a different day, built towers with bells to call the deceived to a morning ritual based on Passover, calling it a supper in the morning. Yahuah did not order these things to be done, but rather men did these things to control and take Yahuah's vineyard for themselves. He's Coming.

Obedience pleases Yahuah, and disobedience taught by men is our problem. Empty philosophies of men have deceived almost everyone (Kolossians 2:8). Natsarim live by every Word of Yahuah, not a camouflaged pattern of Sun worship handed-down from the circus fathers' traditions. Alexandria and Rome are the origins of everything seen and practiced, but Yahusha has trained us to avoid the changes and listen only to our real Shepherd's voice: **His**.

AWAKENING THE WATCHMEN

"For the people shall dwell in Tsiun at Yerushalim, you shall weep no more. He shall show much favor to you at the sound of your cry; when He hears, He shall answer you. Though Yahuah gave you bread of adversity and water of affliction, your Teacher shall no longer be hidden. But your eyes shall see your Teacher, and your ears hear a word behind you, saying, "This is the Way, walk in it," whenever you turn to the right, or whenever you turn to the left. And you shall defile the covering of your graven images of silver, and the plating of your moulded images of gold. You shall throw them away as a menstrual cloth and say to them, "Be gone!" - YashaYahu 30:19-22 BYNV This calling-out from the pigsty is happening as Yahusha's Ruach ha Qodesh pours into men and women. He is calling them away from the circuses, bells, steeples, candles, Sun-day meetings, and all the rest of the traditions of men. Challenge yourself to listen.

A PERSONAL TESTIMONY

This is how Yahusha turned me around: **reading His Word of Truth**. Pastors insist we read it, but never to obey what it says. They know the Truth is powerful; but like **wizards**, they want to be the *controllers of that power*. They were so repulsed when they heard me tell them I love obeying and teaching others to obey, they went to work destroying my reputation, warning others to avoid me. In the late 1990's, a conference of Texan pastors was called to discuss what might be done about my book, *Fossilized Customs*. It was causing them a great deal of trouble. It only takes

one watchmen to cause 1000 to **flee**. It was not me at all, but Yahusha inside one of His Natsarim they were afraid of. When Truth sets us free from Nimrod's minions, Yahusha makes us ambassadors of His reign. Through us, He calls every person to repent because His reign is about to appear. The flesh does not, nor can it obey Yahuah's Turah without the calling, intervention, guidance, and assistance of Yahusha's Ruach ha Qodesh. Without realizing it, religious teachers are working against Yahusha by denying His Name, disobeying His Commandments,

Yahusha's Natsarim Walk As He Walked, Or We Are Not His

and teaching people excuses to disobey. They stay deceived by the **traditions and philosophies of men**.

There are many deceived teachers of tradition all around us in the world, and I testify to the miracle Yahusha performed to awaken His purpose in me: *help others be aware of them.*

Yahusha's Natsarim walk as He walked. We are sent to those still living by the fictional-traditions of men, and Yahusha calls to them in love, as He did with me, through His Word.

At first, those who hear us are highly agitated as we point out the delusions to them. Before I knew the Truth, I used to be an idolater, fornicator, liar, and thief like all the rest of humanity, and without hope. I came to the realization my rebellion was killing me, and I needed Truth. Truth came when I believed the inspired, **living Word, and I made the commitment to live by it.** The more Scripture I read, the more I saw how those who taught it were against obeying, and more interested in enforcing doctrines not found in them. **1 Timothy 1:7** described them perfectly.

My whole life changed when I read YashaYahu (Is.) chapter 53. Yahusha led me to read the Preface of the translation in my hands, and it revealed the

translators had removed the Name, **replacing it with a "device."**

I felt His rage burning in my bones as I read those words. How can anyone go back to their old life in the pigsty, and return to the vomit (the teachings of men) after knowing Yahusha? No shipwreck is too big for Yahusha. His hunters have been searching for you, calling out your name, *"Where are you?"*

OBEDIENCE IS REPENTING
"And go, write it before them on a tablet, and inscribe it on a scroll, that it is for a latter yom, a witness forever: that this is a rebellious people, lying children, children who refuse to hear the Turah of Yahuah, who say to the seers, 'Do not see,' and to the prophets, 'Do not prophesy to us what is right. Speak to us what is smooth, prophesy deceits. Turn aside from the way, swerve from the path, cause the Qodesh One of Yisharal to cease from before us.' Thus says the Qodesh One of Yisharal, 'Because you despise this Word, and trust in oppression and perverseness, and rely on them, therefore this lawlessness is to you like a break ready to fall, a bulge in a high wall, whose breaking comes suddenly, swiftly.'"

YashaYahu 30:8-13 BYNV

Read your translation's Preface; they replaced His Name

When Yahuah says "**latter yom**" and "a witness forever," we need to pay attention; **we are the watchmen telling you these things.** Why do you suppose the Christian pastors have never warned you? Is it possible they are not witnesses of Yahuah, but are really serving the dragon by teaching everyone to just believe while **disobeying? It's illogical.**

Watchmen don't incriminate anyone; we guide you to guard the Commandments and learn to do the things that please Yahusha. Men's teaching authorities are not pleasing to Him. What would life look like if Yahusha instilled a love for His Commandments in you? Everyone would despise and ridicule you, especially your family. Are we unkind in any of our words? Why do you suppose we're not? We're not trying to win an argument; wisdom shows its uprightness by results, and Yahusha wants you to belong to Him. He's been calling you. He is there when you're ready to open the door and invite Him into your life. The good tree bears good fruit; the bad tree bad fruit. Yahusha's indwelling produces these fruits: **love, joy, peace, patience, kindness, goodness, gentleness, steadfastness, and self-control.** A bad tree cannot produce these fruits. The skill of making excuses for lawlessness is learned.

Seminaries pour out teachers skilled at excusing lawlessness, and people follow them like sheep. Their words do not hold Living Water; only venomous, deceptive teachings guiding people toward destruction.

They will defend the fake name JESUS with all their might.

The only Name we teach is the real one: Yahusha. The J is less than 500 years old, and there's no J or W (double-U) in Hebrew, Greek, or Latin.

The real Name was concealed, and it is the stone the builders rejected. (Ps. 118:26)

The shape **V** is the Latin letter sounded as our letter **U** today. Yahuah and Yahusha are being rediscovered all around the Earth since the restoration of His true Name began in 2008. The latter rain (of His Spirit) is pouring into millions of hearts.

WATCHMEN ARE AWAKENING

He said "My people perish for lack of knowledge."

He told us to tell them; so let's go forth and tell them.

"I am the Vine, and you are the Natsarim." (Yn. 15:5, Acts 24:5)

If we are truly the students of Yahusha, we will know the Truth when we hear it, and be discerning of lies and futility. If we turn our ear away from hearing Yahuah's Turah, our prayers are an abomination to Him (Prov. 28:9).
